

# EC Declaration of Conformity

**Manufacturer:**

ISOTRA s.r.o.  
Bílavecká 2411/1  
746 01 Opava  
Company Id. No.: 47679191

We hereby declare that  
Type designation:  
Machinery description:

**Mill train**  
**TPL v4 SETTA/ CETTA / ZETTA**  
The machine is intended for shaping, punching, cutting and threading of metal strips.

has been designed and manufactured in compliance with provisions of the Directive 2006/42/EC, 2006/95/EC and 2004/108/EC.

**The mill train complies with the following provisions:**

- Government Regulation No. 17/2003 Coll., which sets out technical requirements for low voltage electrical appliances, establishing compliance with requirements of Annex No. I to the Directive 2006/95/EC of the European Parliament and of the Council,
- Government Regulation No. 616/2006 Coll., which sets out basic requirements for protection of products as regards their electromagnetic compatibility, establishing compliance with requirements of Annex No. I to the Directive 2004/108/EC of the European Parliament and of the Council,
- Government Regulation No. 176/2008 Coll., which sets out technical requirements for machinery, establishing compliance with requirements of Annex No. I to the Directive 98/37/EC of the European Parliament and of the Council last amended by the Directive 2006/42/EC.

**Reference to harmonized technical standards, national technical standards and technical specifications used for conformity assessment:**

- ČSN EN ISO 12100:2011 Safety of Machinery - General principles for design - Risk assessment and risk reduction.
- ČSN EN ISO 4414:2011 Pneumatics - General rules and safety requirements for pneumatic systems and their parts.
- ČSN EN 953+A1:2009 Safety of machinery - Guards - General requirements for design and construction of fixed and movable guards.
- ČSN EN ISO 11202:2010 Acoustics - Noise emitted by machinery and devices – Determination of emission sound pressure levels at operator's work station and at other specified locations using approximate corrections for the environment.
- ČSN EN ISO 3746:2011 Acoustics - Determination of sound performance levels and sound power levels of noise sources by means of sound pressure - Operating method with measurement in free-field conditions over a reflecting plane.
- ČSN EN 1037+A1:2008 Safety of machinery - Prevention of unexpected starting.
- ČSN EN ISO 13850:2008 Safety of machinery - Emergency stopping - Principles for design.
- ČSN EN ISO 13857:2008 Safety of machinery - Safe distances to prevent reaching dangerous spots by upper and lower extremities.
- ČSN EN 60204-1 ed.2:2007 Safety of machinery - Electrical equipment of machines - Part 1: General requirements.
- ČSN EN 61000-6-2 ed.3:2006 Electromagnetic compatibility (EMC) - Part 6-2: Core norms - Resistance to industrial environment.
- ČSN EN 61000-6-4 ed.2:2007 Electromagnetic compatibility (EMC) - Part 6-4: Core norms - Emissions - Industrial environment.

Initial tests of the product type performed by: Strojírenský zkušební ústav, s.p.,  
Hudcova 424/56b, 621 00 Brno, Company Id. No.: 00001490  
Certificates No. E-31-00334-12 of 29.06.12 (GR 176), E-31-00409-12 of 29.06.12 (GR 17), E-31-00410-12 of 29.06.12 (GR 616)

**Person responsible for completing the technical documentation:** Ing. Rudolf Hykel

**Person authorized to elaborate the original EC Declaration of Conformity:** Ing. Jan Smítal

**The Manufacturer declares that the machinery complies with all relevant provisions of the concerned European Community Regulation.**

This Declaration of Conformity replaces the original EC Declaration of Conformity of 02.10.06.

**Last two digits of the year in which the CE mark was affixed to the product:**

**12**

**In Opava on: 01.08.2012**
